The Perfect Venue...

The Victorian Barn

Our aim is to provide you with a day to remember for all the right reasons and to ensure that it is tailored to your individual requirements. We believe that the combination of dedicated staff and a beautiful setting enables us to offer just this.

The Osborne Hall... Our magnificent venue is in the centre of the barn with vast chandeliers, flagstone floor and underfloor heating. The glass ceiling makes the room light and airy whilst retaining the rustic barn charm. A balustrade balcony can be used by your guests, your photographer, musician or photo booth. The Osborne Hall has the capacity for up to 120 guests for a Civil Ceremony, 120 guests for a Wedding Breakfast and 200 guests for an Evening Reception.

The Garden Room ... A classically decorated room with sumptuous carpeting and underfloor heating. The state of the art lighting system allows for different moods to be accommodated with floor to ceiling glass doors opening onto the patio, bringing the outside in. The Garden room can seat up to 200 guests for a Civil Ceremony, 150 guests for a Wedding Breakfast and 200 guests for an Evening Reception.

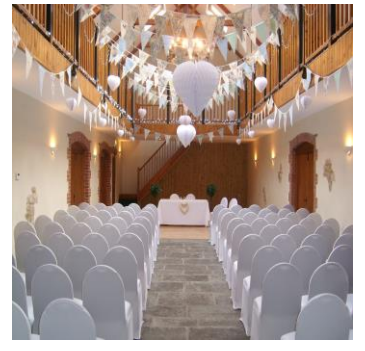

Things to know...

We are pleased to offer the opportunity for our couples to be able to decorate the afternoon before their wedding so that your chosen ceremony or reception space is bespoke to you. If you are looking for something unique; why not be our first ever couple to be married in our lovely indoor-heated swimming pool. The swimming pool will be able to hold up to 30 guests – just make sure they bring their swimsuits!

Accommodation... The Victorian Barn is unique in that we can provide accommodation for nearly 70 guests. We are able to offer a 1 night stay or a 2 night stay. The Hayloft, our bridal suite, is complimentary on the night of your wedding along with a chilled bottle of bubbly and treats! We are able to offer a range of accommodation for your guests. Prices start at £140 (based on two people in a room)
