MEET @ OCH

The Olde Coach House is a perfect place to meet family and friends. OCH is set in the beautiful village of Ashby St Ledgers which was mentioned in the Domesday Book of 1086.

We have built up an enviable reputation for our fresh food which includes our famous grazing boards, hanging kebabs, homemade pizzas, old comforts, homemade burgers, great steaks and homemade puds.

The menu is the same in our contemporary restaurant or in our bar with its flagstone floors, low beams and open fires.

Become a privileged friend of OCH and benefit from great discounts on food, drink and accommodation. Ask a member of the team for an application form.

DRINK @ OCH

We have recently won the CASK MARQUE ACCREDITATION for our cask ales and we also have a stunning selection of wines from around the world.

You can also enjoy a freshly made brew and choose from our coffee menu from a herbal tea to a latte.

So whether you are enjoying a pint of cask ale by an open fire in the winter or a glass of chilled wine in our garden or patio area in the summer, at OCH we can always look after your every need.

Tucked away in the quiet village of Ashby St Ledgers we are still on the doorstep, so if you are popping in for a drink or a meal it will be well worth the visit.
