

THE MANOR

COUNTRY HOUSE HOTEL

Your Wedding, Your Home

## This is your day

The Manor at Weston on the Green provides the ideal setting for your perfect day. With 12 acres of manicured lawns, gardens and grounds, and positioned close to Oxford and less than an hour from London, it's the perfect Country House setting for your wedding. Steeped in centuries of history and romance but with the high modern standards of service that you would expect from a Country House Hotel, our ancient home is the perfect backdrop for your special day. There are few days as special as your wedding day and we will make your dreams come true.

## Relax - it's all taken care of

What sets us apart at The Manor is our experience of hosting weddings over the years. Our dedicated wedding team can advise and assist you in all aspects of planning many months in advance and, of course, on the big day itself. Whilst we can bring many exciting ideas to the table, we also know how to listen. This is your day and we will do everything within our power to ensure that you both look back on your event with fondness and excitement for years to come.

## You choose

Whether you are planning a small intimate family gathering or a really grand event, The Manor offers a wide range of rooms to suite all parties. You and your guests will love our historic oak panelled Baron's Hall, the light and open Georgian Room, or the privacy of the airy Osborn Suite with its elegant French windows, private terrace and 13 bedrooms. Revel in a champagne reception on the croquet lawn and listen to our string quartet playing in our Minstrel's Gallery as you dine. Hold a larger gathering in our Marquee on the lawn or commandeer the entire Hotel for your celebrations. The choice is yours!

# Delivering in style and excellence

The Manor is steeped in history and romance. Sir Henry Norreys, former owner of The Manor at Weston, features extensively in the award-winning books by Dame Hilary Mantel and was also a close friend of both Henry VIII and Anne Boleyn, although he lost his head for his trouble! In fact, there are few places more romantic for your exchange of vows than our private Knot Garden or the Tudor splendour of our oak-panelled medieval Baron's Hall. We look forward to adding your wedding to the continuing and unfolding story of The Manor.

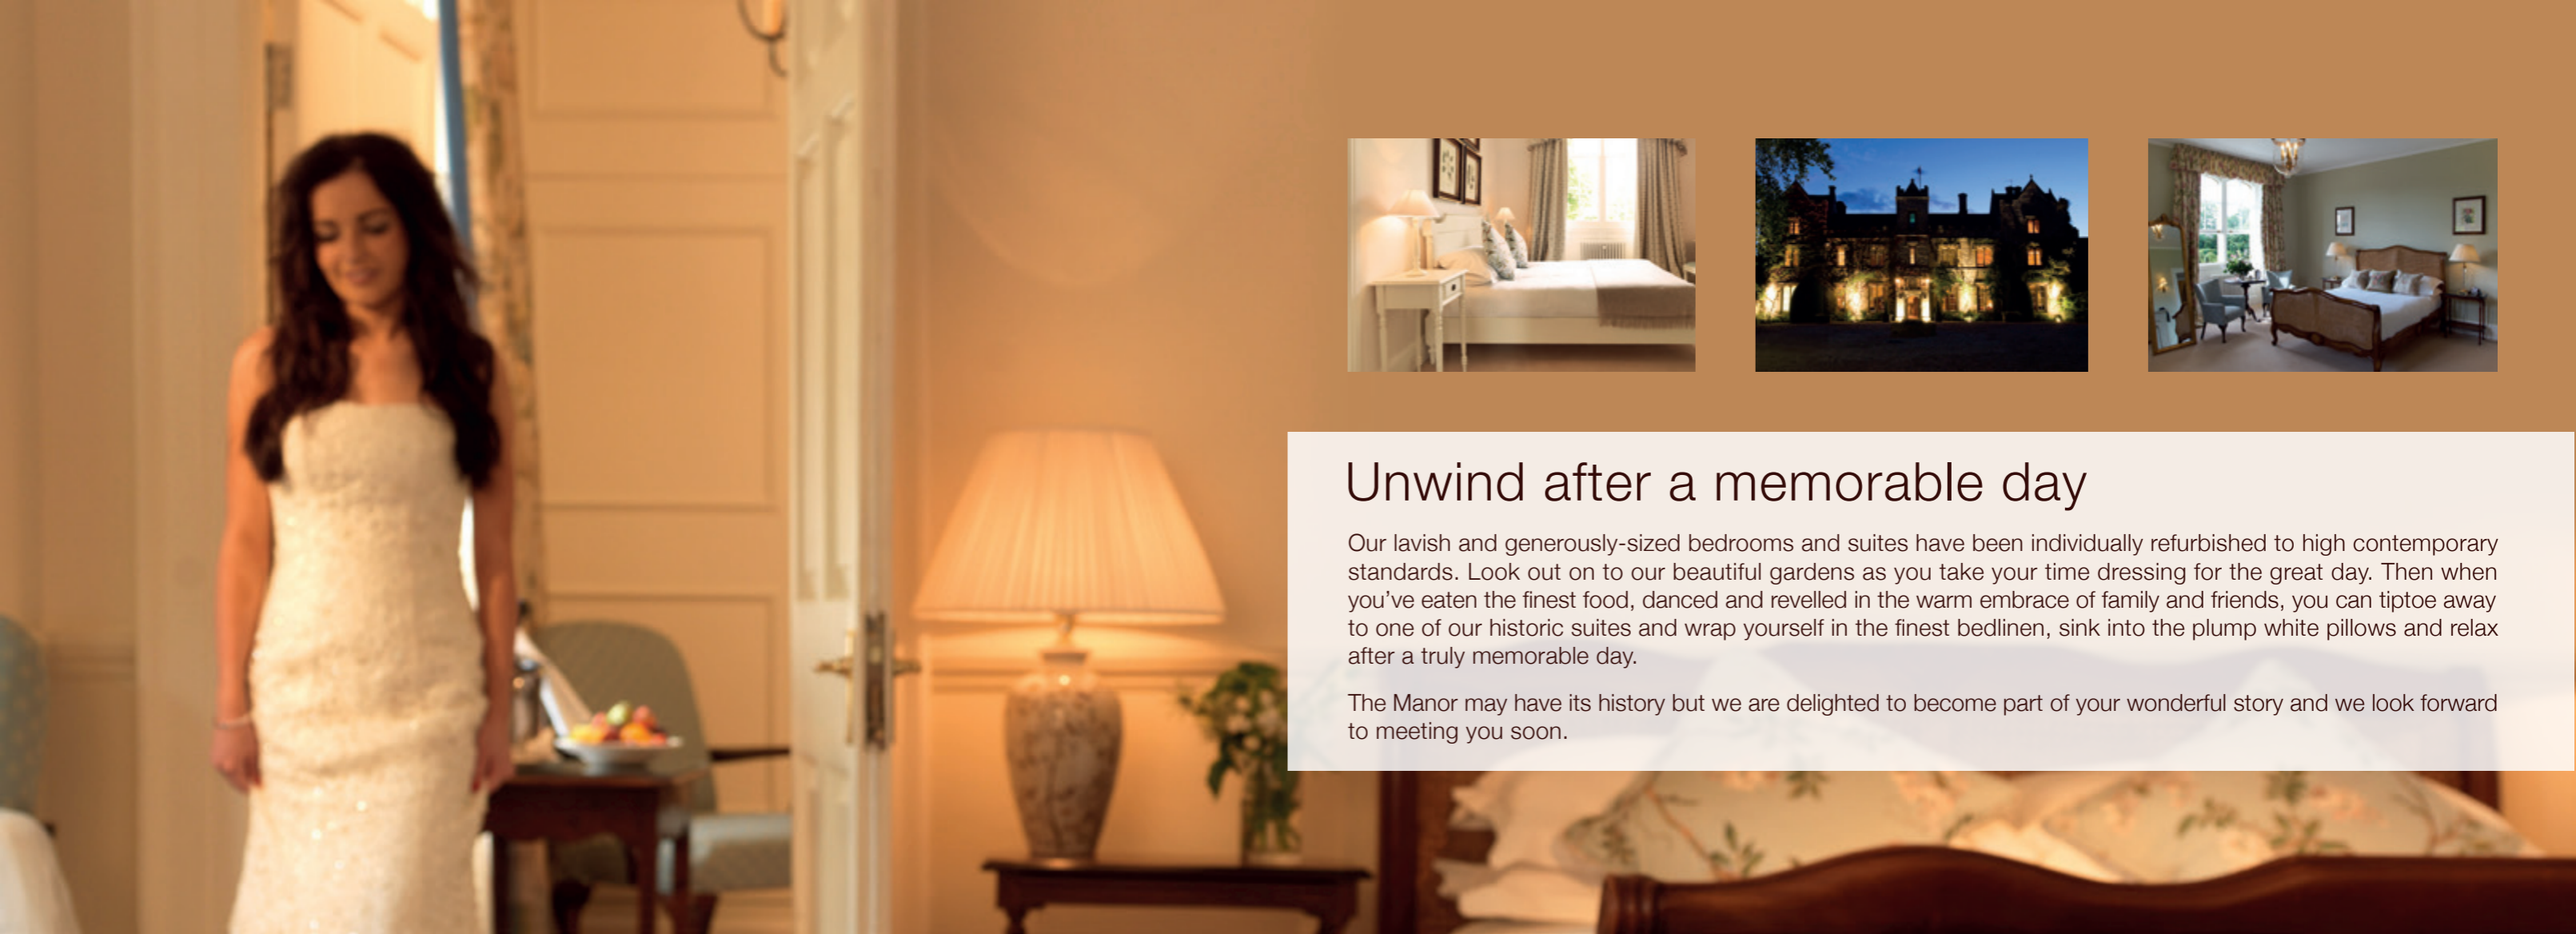

## Take it all in

We know that we are creating your perfect wedding album. The magnificence of the building and the comfort of the rooms, our award-winning food, and the experience of our dedicated wedding team, will all add to the happy laughter of your friends and family celebrating your union. Let us take care of you so you really enjoy your special day and form lasting memories that will bring a smile to your face throughout your married life.

## Tastes that bring everyone together

The kitchen at The Manor has built up a formidable reputation for serving the finest food created from local seasonal and organic ingredients. We relish the challenge of designing your perfect wedding banquet in detail and helping you to choose the best wines to complement the food. With our considerable experience, we can suggest delicious dishes or put together an entirely bespoke wedding banquet. As ever, the choice is yours, but we will deliver an amazing culinary experience.

## Unwind after a memorable day

Our lavish and generously-sized bedrooms and suites have been individually refurbished to high contemporary standards. Look out on to our beautiful gardens as you take your time dressing for the great day. Then when you've eaten the finest food, danced and revelled in the warm embrace of family and friends, you can tiptoe away to one of our historic suites and wrap yourself in the finest bedlinen, sink into the plump white pillows and relax after a truly memorable day.

The Manor may have its history but we are delighted to become part of your wonderful story and we look forward to meeting you soon.
