## THE FOOD OF LOVE...

Selecting the right food for your wedding is very much an integral part of the day. Our award winning Head Chef Emmett Cassidy and his team have a passion for the food we serve, this is evident from the years of delivering first class hospitality.

Using the very best seasonal produce and local ingredients for a three-course meal to a themed supper, our experienced team can tailor menus to your needs creating a special day from start to finish.

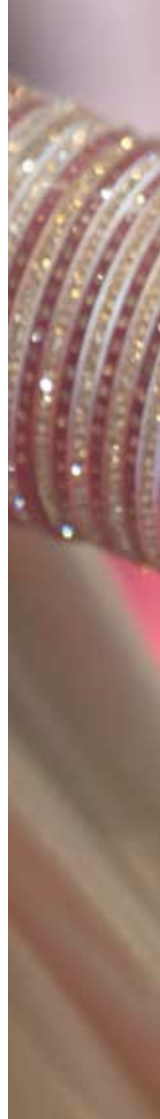

## EVENING RECEPTION AS THE SUN SETS...

When the stunning evening sky falls over the racecourse, the backdrop transforms once again creating an electric party atmosphere. Glide across the dancefloor for your first dance as man and wife, followed by a sumptuous buffet.

Whether you choose a band or our resident DJ as entertainment, you can be sure that we'll put on a fantastic party to end your special day.

## ASIAN WEDDINGS COLOURFUL & SPECTACULAR OCCASION..

The traditions of an Asian wedding make them vibrant and impressive occasions that deserve a grand venue to play host. With suites to hold up to 400 guests, Asian weddings are our one of our specialities.

We fully appreciate that Asian wedding catering is specialist, so we are happy for you to engage your own Asian wedding caterers for the big day and simply hire our kitchen facilities.
