They will work closely with you to create a bespoke menu bringing you a five star service which encompasses a passion for creative culinary expertise and locally sourced seasonal produce. The Hospital Club has been awarded two stars by the prestigious Sustainable Restaurant Association in recognition of its commitment to ethically source all of its ingredients from British farmers and suppliers. The beef, venison and lamb come from Lake District farms in the heart of Cumbria, our pork from Blythborough near Great Yarmouth, ducks from Devon and our free-range chickens from Suffolk.
