BARS & RESTAURANTS

## Events at Affinity

Affinity own and operate a collection of individual pubs, dining rooms and restaurants across London. We aim to create a relaxed and enjoyable dining experience, from modern British menus to contemporary flavours of the Pacific with attentive and friendly service.

Whatever the occasion, we're here to ensure your day is one to remember, offering a range of private dining rooms and functional spaces, perfect for business, birthdays and weddings.

# Dickie Fitz

.....

A social all-day dining room in the heart of Fitzrovia, Dickie Fitz serves contemporary dishes inspired by the flavours and ingredients of the Pacific. Our warm art-deco interior and stunning canary-yellow booths accommodate sitting back with relaxed breakfasts in the morning through to lavish feasting lunches with friends or intimate dinners with the one you love. Graze at the bar with a bottle of New World wine after-work and grab an Australian-approved coffee to go from the hatch alike – we're here to see you through your day.

## Private Dining

.....

Our intimate velvet banquettes and circular booths provide a feeling of privacy, while retaining the atmosphere and buzz of the main dining room, ideal for small groups and parties. If you're after something a little more lavish, why not hire the entire first floor, with your own private bar and washrooms to hand.

# The Lady Ottoline

.....

A pretty little pub nestled in the heart of Bloomsbury, The Lady Ottoline offers elegant yet home-comforting food and a welcoming atmosphere, whether you're unwinding by the glow of our wood-burner in the winter or enjoying a cool breeze in the summer from our gorgeous French doors. We also boast some of the cosiest dining rooms in Bloomsbury (if we say so ourselves) including an intimate private dining room, where you can indulge in our refined British cooking, an eclectic range of ales and lagers, fine wine, and a thoughtful selection of spirits.

## Private Dining

.....

It's been said that The Lady Ottoline boasts the cosiest dining rooms in Bloomsbury, both of which can be hired exclusively for private parties and events. We recommend The Morrell Room, the smaller of the two, for more intimate affairs and meetings, while The Dining Room is ideal for bigger birthday dinners, wedding receptions and special occasions. Alternatively, we can host a standing drinks reception in our ground floor bar or you can take over the whole venue for a seriously smashing soir e.

# PRINCESS VICTORIA

Built in 1829, the grand corner building that houses the Princess Victoria was originally a Victorian gin palace and tram stop, and we like to think we've retained as much charm and character as possible. With glorious dome-shaped sky lights, intricate cornicing and wood-burning fireplaces, it's a picture-perfect setting to enjoy mid-morning coffees, leisurely lunches and comforting dinners alike. Tuck into head chef Matt Reuther's contemporary cooking, from home-comforts like Cumbrian cottage pie and truffle mac 'n' cheese to citrus salmon ceviche and crispy pig's ears, while enjoying a G&T or bottle of fine wine.

## Private Dining

The Room Upstairs is a grand dining room, boasting it's own bar and wood-burning fireplace. Floor-to-ceiling windows flood the space with natural light, perfect for day-time events and meetings, while in the evening, the glow of the fireplace and twinkle of the chandeliers create an intimate ambience for special dinners and occasions. Alternatively, you're able to take over the whole pub – weddings, big birthday bashes, parties and events can transform the space to suit almost any request.
