Welcome

Holbrook Manor

A beautiful and always exclusive
wedding venue set in acres of
stunning Somerset countryside.

*A dream
Requires a
wedding
dream location*

Holbrook Manor is a gorgeous Georgian country house set in 20 acres of lawned gardens and woodlands in the heart of the Somerset countryside.

The winding lamp-lined driveway leads you to the front of the house and a wonderful view of our amazing property with an impressive stone-built entrance to the property.

The rear of the house faces out onto a beautiful lawned garden with trees beyond. Below the terrace runs a babbling brook fed from the woodland lake.

We are so proud of our amazing 400 years old Cedar of Lebanon tree which also resides to the rear of the main house and provides a dramatic backdrop for some very special wedding photography.

Beyond the lawns, we have less formal garden and woodland areas with winding pathways and teeming with birds and often times roe deer, foxes and badgers.

Our grounds and gardens really do set a beautiful scene for your wonderful dream wedding.

Exclusively Yours

At Holbrook Manor, we only ever offer weddings on a completely exclusive basis. It's your special day and yours alone to enjoy with your family and dearest friends.

The whole house is your home for the day with a sumptuous bridal suite and 20 other luxurious and spacious bedrooms for your family and guests being available too.

Ceremonies

For your wedding ceremony, the Dorset has a light and airy feel with impressive chandeliers.

The Somerset is a grand room with two ornate pillars which make for a perfect ceremony backdrop.

Both rooms have stunning views out across the terrace to the gardens with direct access to the outside areas too for enjoying pre and post ceremony drinks and photographs.

Summer House Weddings

Why not have your spring or summer wedding outside in the gardens? Our Summer House is a very pretty and intimate space for your ceremony bordered with beautiful flowers and plants.

Space in the Summer House is very limited but there is ample room on the adjacent lawns for your guests to be seated and enjoy being part of this very special place for your wedding ceremony.

Majestic Views

The Hall at Holbrook Manor is the perfect setting for your wedding breakfast. This room offers individual features with amazing views of the gardens and direct access to the terrace outside for photographs and drinks. With capacity for up to 140 seated guests, you will soak up the natural backdrop of the house gardens in the day and in the evening the lighting of the trees outside provides for a magical ambience.

When the sun sets, the Hall transforms to a great space for your evening celebrations to commence. A large room, it's the perfect place to dance the night away with your nearest and dearest.

For larger weddings, our tennis lawn is ideally located next to the house for a marquee wedding breakfast. A gorgeous spot with lovely views back to the house and the gardens and yet only a few steps away from the terrace too.
