Somerset Adventures specialises in Adventurous Outdoor Activities. We can cater for groups large and small. Our activities take place in the best outdoor locations in the southwest. Head to the Mendips or Dartmoor for climbing, abseiling and caving. Join us for some kayaking or canoeing on one of the fantastic rivers or lakes in the region, or challenge your group to some raft building and be prepared to get wet and have fun! Alternatively come to Greensand Wood to enjoy the friendly competition of an archery or axe throwing session or enjoy a fantastic bushcraft session with options including fire lighting, rabbit skinning, spoon carving and more.

Fantastic group rates and multi-activity day options.
