"Thank you so much for all your help and guidance in the run-up and on the day of our wedding. The barn is a fantastic venue and was absolutely perfect for us. All of our guests really enjoyed themselves, as did we! We have some very special memories which we will treasure for the rest of our lives."

The Ceremony

Civil ceremonies can take place either in Spilman's Copse or in the old wooden barn. Part of the barn is sectioned off from the starlit reception area by ivory curtains, providing an intimate space for up to 100 people. There is also room for musicians to accompany the proceedings if desired.

After the ceremony Pitt Hall Barn offers the opportunity for the couple to be taken around the estate for photographs. The farm boasts many beautiful outdoor locations including woodland and grassland areas with picturesque views across the Hampshire Downs.
