## *Congratulations...*

**Congratulations on your forthcoming wedding. We are delighted that you are considering Great Yarmouth Racecourse as a venue for your special day.**

We are licensed for wedding ceremonies, civil ceremonies, civil partnerships and vow renewals so you can hold your whole day here and be assured that every detail will be taken care of, leaving you to enjoy the occasion. Alternatively if you are looking for a unique venue for your wedding breakfast and/or evening reception, come and take a look round our modern spacious facilities. Either way, you can be sure that you will receive a dedicated and first class service.

Whether you require a small family gathering or a large affair for up to 240 guests. We have a dedicated on-site Wedding Coordinator who is here to help fulfil your special dream and make your day as memorable as possible.

Great Yarmouth Racecourse is set within vast grounds which allow ample free parking for hundreds of guests and the flexibility to have funfair rides, fireworks or bouncy castles if required, it also offers a unique photograph backdrop with the race track, winning post, parade ring and winners podium. Despite the size of the venue you are guaranteed complete exclusivity on your special day.

If you are looking for something a little different or are a racing enthusiast, why not incorporate your favourite sport into your special day? Weddings or parties held on a race day give the added value of allowing your guests to be entertained by an afternoon or evening of exciting racing. You might even get the opportunity to have a race named after you and to present awards to the Best Turned Out Horse and Winning Owner in the Parade Ring! (Please note racedays are usually midweek and fixtures are only known 6 months in advance of each season).

Upon booking we would require a deposit of £250.

We cannot guarantee that our menu dishes are free from seed and/or nut traces, therefore please advise us if you suffer from an allergy. All prices per guest and exclusive of VAT.
